We welcome and encourage applications from a diverse range of candidates.

### EXPECTATIONS

All operations staff are expected to engage in four primary areas which should be exhibited in their delivery of key tasks and responsibilities and in their own personal qualities and character. Engagement in each of these areas may take a number of different forms dependent on the individual, their experience, areas of expertise, and personal and professional development.

<b>Commitment to Operational Excellence</b>	We are ambitious in our pursuit of operational excellence, offering high quality administrative functions and support which enables and enhances the delivery of all aspects of college life. We aspire to be efficient, productive, precise, and dedicated, striving to provide the best possible operational functions across all aspects of college life. This includes being proactive in our approach to tasks and delivery, innovating where appropriate, with a personal drive and self-motivation to improve, invest in and develop skills and knowledge, setting stretching goals for responsibilities within our role and teams (where applicable).
<b>Commitment to the Team</b>	We are committed to supporting the team with a sense of personal responsibility for its overall success. We strive to have strong relational foundations, enabling the flourishing of others and are proactive in our approach to collaboration and communication. We adopt a servanthood approach, are generous with our time and skills and consider the impact on others in all that we are and do.
<b>Commitment to Formation</b>	We believe all Christians should be investing in the formation of Christ-like character, formed by the Holy Spirit. We are committed to growing in Christ-likeness, where we have an openness to developing our understanding of who we are and who we are becoming. We want to be receptive to feedback and model a willingness to admit and learn from our mistakes. We strive to be attentive to our own spiritual growth and our personal development in areas of self-awareness, self-management, our understanding of others, and our ability to resolve conflict constructively and build healthy relationships.
<b>Commitment to the Vision</b>	We are committed to seeing theologically confident and committed followers of Jesus in every church and are ambassadors for the vision, values, and work of the college. We are prayerful and have a passion for the College's mission and seek to celebrate and accelerate it to the best of our ability through our contribution in our roles and in the team. We seek to participate fully in the wider life of the college through times of prayer and worship and in our engagement with students in order to deepen our connection with the vision.
